Dear Patient,

Welcome to our dental family. We appreciate the confidence and trust you have placed in us and look forward to meeting you.

Our mission is for you to keep your teeth forever with comfort, function, health and esthetics for life. To do so we will provide you with the highest quality dentistry in a caring, comfortable atmosphere. We will provide a thorough examination and gather all pertinent information. The doctor will review the information and establish a diagnosis and life-long care program suited to your individual needs. You will have your choice of options in this care program that will enable you to maintain your dental health within your personal time frame.

We will discuss fees with you in a caring, open manner because we know you need all the information with regard to need, care and investment costs. We will provide the highest quality preventive and restorative care in combination with education. We are happy to discuss any questions or concerns. Please fill out the enclosed forms and bring them with you to help us begin this journey.

Sincerely,
Lawrence T. Chen, DDS
