TOP GENERAL DENTIST

LAWRENCE T. CHEN, DDS

711 W. 40TH STREET
SUITE 215
BALTIMORE, MARYLAND | 410-235-8525

METHODOLOGY: We surveyed more than 2,000 dentists in Baltimore and the five surrounding counties over the course of several months, then selected those with the highest number of peer recommendations in each of several regions. It was possible for dentists with more than one office to be winners in more than one geographic area. Winning dentists needed to be accepting new patients.
